Forecast for Tuesday 21 Sep 2021

Weather: A chance of some misty conditions in the valleys to start. Once this clears it will be a fine and dry day with plenty of sunny spells.

Chance of cloud free mountain/hill tops above 600m: 80% or greater throughout.

Visibility: Moderate in the valleys at first with any early mist. Otherwise generally good with well broken cloud bases 700-800m.

**Level above which ground is expected to be frozen/snow is expected to settle.*

Meteorologist's View

Be aware that, although UV levels are at moderate levels, it is still important to protect exposed areas of skin if out in the sun for extended periods of time.
